C. cards as entered in the admission registers of the School without giving room for unnecessary correspondence in the matter. They should be advised to enter *only* the father's name in the S. S. L. C. card and application form and not the guardian's name.

(*b*) Heads of Schools should arrange the applications and the S. S. L. C. cards separately in the same order, firstly according to the Second Languages chosen by them and secondly in the alphabetical order under the several second languages. In no case should applications and S. S. L. C. cards be mixed up, as this will lead to confusion while checking the applications. The applications and S. S. L. C's of candidates who have been declared "Passed" in previous years should be separated from others and arranged in the same manner as noted above.

(*c*) A classified statement showing the names of candidates under "ordinary" and "for Supplementary certificates", the several Second Languages and additional subjects offered by them should accompany the applications for candidature.

Private candidates are therefore advised to enter their postal addresses clearly in their application forms. The Examination Office cannot undertake to note the changes in the addresses intimated after the applications are sent in. The Examination Office will not be responsible for non-delivery of admission tickets, etc., sent to the candidates concerned, in consequence of the incompleteness or inaccuracy of the postal addresses furnished by them.

11. In regard to the T. C. Examination of 1931, candidates who appeared for and failed in the Preliminary Examination under the old rules in previous years will be required to take the full examination and they should pay the full fee for the Examination.
